CFV begins grassroots lobbying campaign to pro-homosexual legislators.

FOR IMMEDIATE RELEASE

7-13-2000

Colorado Springs, CO – In an effort to continue legislative support for CFV's pro-family efforts, Jim Witmer, Director of Communications, announced today the beginning of a state-wide effort to counter the homosexual lobby's left-wing agenda.

Today, the attached mail piece was delivered to registered voters in Rep. Gary McPherson's ((R) HD 40)) district to encourage grassroots citizens to call and ask him to end his long standing agenda for the homosexual lobby.

Why this tactic

"All over Colorado, a few well placed liberal politicians like Gary McPherson tell their constituents they are conservative but then go to Denver and carry the water for the most liberal lobby groups and act indignant when their voting records get exposed. " Stated Jim Witmer.

The goal of this campaign:

"Our sincere hope is that Gary McPherson does not continue running from his record and continue his conservative charade, but rather turn from his past record and drop his support for the left-wing political machine in Colorado." continued Witmer.

Why now:

"Unfortunately, many liberal politicians like Gary McPherson don't listen to their constituents unless they are running for office. That's why now is the best time to encourage elected officials to protect family values from those who seek to force their sexuality upon the rest of us." Concluded Witmer.

Gary McPherson's Vision for Colorado?

Gary McPherson has been a key Republican leader for the radical homosexual agenda:

✓ In 1997 and 1999 Representative Gary McPherson was the key vote to kill the Colorado Ban on homosexual marriage!
(Senate Bill 159, House Bill 1198)

✓ After publicly speaking out for homosexual marriage, Gary McPherson flip-flopped on the issue after he decided to run for higher office.

✓ Gary McPherson has refused to oppose using your tax dollars for homosexual partner benefits -- the next priority of the homosexual lobby!
(CFV Candidate Questionnaire)

✓ Gary McPherson voted for special rights legislation for homosexuals and even supports so-called "Hate Crimes" laws.
(House Bill 1168, House Bill 1074, House Bill 1331)

Tell Gary McPherson that you have looked at his record and want him to stop his crusade for the homosexual lobby if he is elected to the State Senate!

Who is Gary McPherson?

For too long in Colorado, slick lawyer/politicians like Gary McPherson have made a carreer out of hiding their liberal pro-homosexual record when running for public office.

Though Gary McPherson works hard to hide his pro-homosexual agenda, CFV hopes that you will call Gary McPherson and respectfully ask him to end his support for the radical homosexual lobby.

As a voter in Arapahoe County, you may be the only one able to get Gary McPherson to drop his pro-homosexual agenda.

Often the only time a politician can be persuaded to support the people's will is when they are running for office. Now is the time Gary McPherson is most likely to listen to the voters of Aurora. If Gary doesn't hear from citizens before the August 8th Republican Primary Election, then he will surely continue his liberal agenda in the State Senate. All over Colorado, liberal politicians like Gary McPherson have worked hard to advance the homosexual lobby's agenda of forcing citizen to accept the homosexual lifestyle. Please respectfully call Gary McPherson at 303-866-2944 and ask him to end his support for the homosexual lobby.

Don't let Gary McPherson deceive Republican Primary voters. Ask him to publicly denounce his pro-homosexual agenda.

Please act before the August 8th Republican Primary Election!
